## HARD TO SAY, EASY TO GROW

SY TORACH Pronunciation /TOR·ak (Gaelic) ADJECTIVE; Fruitful, high yielding. SY Torach offers increased yield while providing a protein boost over the most commonly grown CWRS varieties in the market today. SY Torach maintains the short, strong standing semi dwarf characteristics growers are after, and improves disease resistance with an strong MR for FHB.

### SY TORACH FEATURES:

- Improved protein levels
- Excellent yield with short plant height for ease and speed of a big harvest
- MR for FHB, R for Loose smut and Leaf and Stem Rust allowing for an easier disease management strategy
